UPDATED: We have added a new eForms setting to KidKare that will allow sponsors to use the parent signature date as the child enrollment date for first time enrollments.

UPDATED: We have made the following changes to Food Rules in KidKare:

- Removed the Effective Dates section for all five types of food rules
- Removed the Print Warning on Provider Error Letters option from the three types of Limit rules. This option only applies to Food Frequency rules.
- Changed the Print Warning on Provider Error Letters option for the Any Two Foods and All Foods rules to read Print Description on Provider Error Letters.
