

# 28: Meals were Claimed on Dates that Fall After the Provider was Withdrawn

Last Modified on 03/05/2019 1:29 pm CST

This error is generated for all days claimed after a provider's removal date. This error can disallow or warn all meals claimed on these days.

**Note:** To remove a provider, click Remove in the List Providers window or in the Provider Information window. You are prompted to enter a removal date.
