

37: Child Not Present at Meal Time According to Daily In/Out Times

Last Modified on 03/05/2019 2:40 pm CST

Some sponsors must obtain daily attendance (in/out times) for all of their children. This error is generated if a child was marked as attending a meal, but the child was not marked as in care while the meal was being served. It can warn or disallow the child for the meal.

Providers can record In/Out times on the Check In/Out page in KidKare or on scannable In/Out forms.

Note: This error cannot be generated if there are no daily meal times for the meals the provider serves. However, meal times can be pulled from the provider's file if your agency chooses to do so for providers who use scannable forms.
