

42: The Special Needs Child is Older than the State's Max Allowable Age for Special Needs Children on the Given Meal Dates

Last Modified on 03/06/2019 10:27 am CST

This error is generated for special needs children who are over the state's special needs age limit. Special needs children are typically eligible for Food Program reimbursements at much older ages than non-special needs children. This error does not appear if your state has no age limitation for the reimbursement of special needs children. If you need to change your state's maximum special needs limit (i.e., you don't get this error, but you should get it for children over 18), contact Minute Menu Support.
