

49: Provider's Own Children Cannot be Claimed Unless Provider is Tier 1 Income Eligible

Last Modified on 03/06/2019 12:25 pm CST

This error is generated if the provider claims their own children and they are not Tier 1 by Income. Own children are only reimbursed at Tier 1 rates when the provider is Tier 1 by Income.

Consult the provider Information Tiering tab to ensure that there are valid Income Eligibility dates recorded (this may be in addition to School or Census Area eligibility for those providers who are School/Census eligible for Tier 1 but are able to claim their own children).
