

67: Provider Used Cycle Menu Outside of the Dates for Which S/He was Approved to Serve Cycle Menus

Last Modified on 03/06/2019 2:05 pm CST

Some sponsors require their providers re-submit their cycle menus for approval on a periodic basis. You can set up cycle menu approval dates to track this. This error is generated if a provider attempts to use a Provider Cycle Menu outside of these approval dates. It warns or disallows the given meals.
