

82: Provider's Tier 1 Eligibility Dates are Not Valid on Given Date(s)

Last Modified on 03/07/2019 8:43 am CST

A Tier 1 provider must have Tier 1 eligibility dates for Income Eligibility, School Area, or Census Area. These dates must encompass the current meal date. Otherwise, the meal will be reimbursed at a Tier 2 or Mixed Tier rate.

This error is generated and the provider does not receive Tier 1 reimbursement if you have not entered a valid ending and start date in the Provider Information Tiering tab for any of the three qualifying reasons (income, census, school district).
