

87: Related Children are the Only Children Served in Given Meal Serving(s) on a Holiday

Last Modified on 03/07/2019 9:42 am CST

The provider's own children can never be the only children present during a meal. In some states, this rule is taken further on holidays. This error is generated if the only children served are the provider's own children or related non-resident children, the meal is disallowed as well. It warns or disallows all children at the meal.
