113: Provider's Own Child was Claimed, but Meal Served Outside Range of Child's Tier 1 Income Eligibility Dates

Some sponsors must note income starting and ending dates for each of a provider's own children, even after they add Tier 1 Income Eligibility Dates to the provider's file. You enter these dates in the Tier 1 Start Date and Tier 1 End Date boxes in the Child Information Rules tab.

This error is generated when individual children lack Tier 1 Starting and Ending dates, or if the meal in question was served on a day outside of those date ranges. It prevents the provider's own children from being claimed/paid.
