

# 114: Meals Claimed on Dates After Provider's Fire Inspection Certification Expired

Last Modified on 03/07/2019 12:43 pm CST

Some sponsors record fire inspection expiration dates for each of their providers. This error is generated if that expiration date has passed. It can warn or disallow meals served for those dates.

You can enter this expiration date in the Fire Inspection Expiration box in the Provider Information Other tab.
