

134: Child's Attendance Times Not Recorded

Last Modified on 03/07/2019 3:08 pm CST

This error is generated if child attendance is being cross-checked about meal times, but the given child is missing his/her daily in/out time information when the claim is processed. This can warn or disallow the child.

Make sure you have scanned In/Out forms for this provider, or that this provider has supplied in/out times. To do so, print the In/Out Child Attendance report or the In/Out Child Attendance by Child report in Minute Menu HX. If your provider uses KidKare, you can also print the Verify In/Out Times report in KidKare (Observer Mode).
