139: DFS Child Claimed Outside DFS Approval Dates

Last Modified on 03/07/2019 3:38 pm CST

Some states require a pay source be on-file for children who are paid for by a state subsidy program. This is recorded in the Pay Source box in the Child Information Special tab. If you must have this information, Minute Menu HX can be configured to allow you to set an effective date range for which the child is approved within the subsidy program.

This error is generated if a child is claimed outside of the effective date range for the subsidy program in which the child participates. It warns or disallows the child.
