

142: Provider Served Meal at Time outside of Approved Time Range

Last Modified on 03/07/2019 3:46 pm CST

Your agency can set up providers to serve meals only within approved time ranges. You can set this up for all providers, or you can apply it to specific providers. This error is generated when a provider records a meal outside of the approved time range. It warns or disallows affected meals.

When researching this error, review the Examine Meal History window for KidKare providers, or check the Provider Information Meals tab for direct entry/scannable claim providers. Pay special attention to AM/PM discrepancies.
