

153: Neither C nor LC License is in Effect for the Date, Day of Week, and Meal

Last Modified on 03/07/2019 4:45 pm CST

The Wisconsin LC license check allows two distinct sets of meal approval and day-of-week approval schedules to be in effect for any given provider. Those distinct sets must be checked.

Record alternate meal and day-of-week approval schedules in the Provider Information Meals tab. These apply to the C check.

Record regular meal and day-of-week schedules apply to the L check.

This error is generated when neither indicate that the provider is approved for a meal or day-of-week being claimed.
