

Menu Planning

Last Modified on 04/23/2019 3:48 pm CDT

The following Menu Planning reports are available. This list is not comprehensive. To access these reports, click the **Reports** menu, select **Menu Planning**, and then select the appropriate report.

- **EZ Menu:** This report prints a weekly EZ Menu plan, if one has been set up.
 - **Food Combinations:** This report lists all food combination rules you've established.
 - **Master Menu:** This report prints the list of all Master Menus you have created.
 - **Provider Cycle Menu:** This report prints a list of any pre-planned menu templates providers have set up using KidKare's Plan Menu Template feature.
 - **Scheduled Menu:** This report prints a provider's weekly scheduled menu, as planned in KidKare.
 - **Sponsor Cycle Menu:** This report prints any cycle menus set up for your agency.
