[Click here to view the KidKare Review Tool recorded webinar.](#)

The KidKare Review Tool has replaced the hx2go mobile site. With this tool, you no longer need to download provider information or upload your completed reviews. Watch this free webinar to learn how!

Note: This webinar was crafted with current hx2go users in mind. As such, it does not cover several important set up steps. If you are new to the online review process, see [Getting Started with the KidKare Review Tool](#) instead!
