

Print the Provider Daily Meal Count Report

Last Modified on 08/24/2020 10:16 am CDT

The Provider Daily Meal Count report provides meal count totals by meal for each of your providers for a selected date range. It also totals all meal counts for each, individual provider, as well as provides an overall total for all providers. The sort applied to this report defaults to your setting for **preference U.004**.

1. Click the **Reports** menu, select **Claim Data**, and click **Provider Daily Meal Count Report**. The Select Dates dialog box opens.
2. Click the **Starting Date** box and enter the starting date for this report.
3. Click the **Ending Date** box and enter the ending date for this report.
4. Click **Continue**. The report is generated.
